Major storm test our resolve 8-12-18!

Mother Nature left behind a major mess after storms this weekend. Parts of Passaic County were hit hard Saturday by all of the rain. Officials are still processing the damage to parts of Passaic County, including Little Falls which was hit with two feet of water. Little Falls currently has several inches of mud on roads like Harrison Street. The Peckman River returned to its banks quickly but damage in the neighborhood remains. Residents say some homes suffered water damage, including basements flooding. Some were filled nearly to the ceiling with water. Residents say somewhere between three and four feet of water flooded into the area very quickly. "It came so fast," said Zlate Malinajdovski of Little Falls. "I mean -- like within an hour everything was just like flooded. They evacuated us, but my wife and I, we decided to come back." The flood waters carried several cars and tossed them down the street. One car even collided with the foundation of a home.

Others were swept away from the Jeep and Dodge dealership on Route 46. They collided with each other on the bridge and were later fished out of the river. The dealership says they are doing a count of how many cars were in the water and what kind of damage each sustained. They say the vehicles are insured. Firefighters say they were out on the streets overnight to clean up what they could. Residents are now also helping to clean up and more rain is expected.

STORM Relief

The POB's motto is "Together we can make the thin blue line stronger". Clearly, that's not just a slogan because we believe in truly being our brothers and sisters keeper. "We Have Your Back!" And with that said, are now raising funds for those officers and their families who were affected from the storms devastating floods in NJ.

Trooper Castellano lost his life in the line of duty when he was struck by a passing vehicle on June 6, 2010. His mother, Donna Setaro, is campaigning for more highway signs & lecturing throughout the USA to bring public awareness to the **Move Over Law**, which safeguards first responders on highways.

We are our Brothers And Sisters Keeper!

The Police Officer's Brotherhood through its programs, services and fundraising efforts has donated over \$100,000 to law enforcement officers and their

families during their time of need or crises regardless of their union affiliation, titles and agency they work for in order to form a band of brothers. We help support State, County and Federal law enforcement officers such as State Troopers, State Parole Officers, State and County Correction Officers, Sheriff's Officers, Municipal & County Police Officers. During these horrific times officers are being assassinated for just doing their jobs and wearing a uniform and their sacrifices shall not be in vain. It's time to unite and stand shoulder to shoulder with one another because....

Together we will make the thin blue line stronger!

The **Brotherhood** held its fall fundraiser welcoming supporters, sponsors, family members, friends, honorees Law Enforcement colleagues, and members of the business community throughout the State. The guests attending came from several civilian trade unions, police groups STFA, Fop's, PBA's, SOA's, POBA, dignitaries and corporations to raise funds for officers and their families during their time of need or crises. The event was sponsored by **International Union Painters & Allied Trades DC 711, Havana Cigar Lounge, Devotion Spirits, and The Headliner**, the event was coordinated by **Jerry Conan, Director of Communications** for the NJLEPOB. The Master of Ceremonies was State Trooper **Wayne Blanchard President of the STFA** and **POB Director of Public Relations**.

The attendees engaged in good conversation, food, drinks, music and nice hand rolled cigars while networking with one another in a relaxed setting. **Assemblyman Wayne DeAngelo** started with the pledge of allegiance and Wayne Blanchard asked for a moment of silence for those in the military and law enforcement officer who

made the ultimate sacrifice serving and protecting our country. Wayne gave praise to the Police Officers Brotherhood's charitable endeavors and accomplishments helping officer and their families in need and honoring those who made the ultimate sacrifices. There was a short program regarding the following honorees. **Labor Leader Award:** Business Agent, **Joseph Barry** IUPAT DC 711 LU 1976, **Labor Leader Award:** Business Rep., **Bernard Cooke** IUPAT DC 711 LU 1009, **Legislative Award:** Senator, **Vin Gopal** Majority Conference Leader and **Legislative Award:** Assemblyman **Eric Houghtaling** Deputy Majority Leader were recognized for their contributions helping, supporting and working on law enforcement legislation especially the **Move Over Law**. It's time to bring back the true meaning of "The Brotherhood"

donation and sponsoring the cigar event by supplying the cigars. **Assemblyman Wayne DeAngelo** commented on his observation through the years attending our events regarding the positive impact the brotherhood has had on officers in need and those families of officers killed in the line of duty. He thanked those supporters of the brotherhoods mission, of bringing back the brother/sisterhood to the law enforcement community.

Blanchard explained that The POB is an independent non-profit Law Enforcement Organization formed to bring together the frontline law enforcement officer and the civilian community together forming an alliance to help all officers,

their families and the victims of crime. The POB is governed by active and retired/former Law Enforcement Officers throughout the State. The POB is not a labor union (Collective Bargaining Unit) or lobbying group and does not compete with the PBA, FOP, SOA or STFA. Our purpose is to unite law enforcement officers throughout the United State and give donations to all law enforcement officers regardless of their Union affiliation to bring back the true meaning of “the brotherhood”. The POB has helped raise and donate over **\$120,000** to law enforcement causes.
